Spring Truck Safety Inspections

GMTA's Safety & Security Council, members from our Chapter cities and our friends from the Motor Carrier Compliance Division of Georgia's Dept. of Public Safety will be hosting four truck safety inspections this spring. This is your opportunity to learn first hand on how to prepare for roadside inspections. Find out what enforcement is looking for from your trucks and your drivers. Inspection teams will meet at 9:00 am at the scale houses noted below.

The officers from the Georgia MCCD will be on hand to answer your questions and, thanks to our generous sponsors, we will have lunch available at each inspection. So please take the time to join us near Ringgold, Savannah, Valdosta or Augusta...You will be glad you did!
