Bryan County Truck Safety Inspection - March 18th

Please join members of GMTA's Savannah Chapter, the Safety Management Council and the Motor Carrier Compliance Division of Georgia's Dept. of Public Safety for our truck safety inspection and driver outreach in Bryan County on Thursday, March 18. Inspection teams will meet at 9:00 am at the Georgia scales near Pembroke (**I-16 eastbound**, at MM #144) to begin the morning activities.

Our friends from the Motor Carrier Compliance Division will be on hand to answer questions about vehicle safety. So, if you are a Georgia motor carrier and want to know how to prepare your vehicles for roadside inspections, here is your chance to learn and participate. Lunch will be provided by Mr. Larry Simmons and you don't want to miss it.

So please take the time to join us in Bryan County; you will be glad you did!

WHEN/WHERE: Thursday, March 18 – 9:00 am – 2:00 pm
Eastbound scales on Interstate 16, at MM #144

There is no charge to attend the truck safety inspection, but please let us know if you will attend.
Thank you!
