

RETAIL TIRE DEALER/SCRAP TIRE GENERATOR IDENTIFICATION NUMBER APPLICATION

Persons in Georgia that sell new replacement tires or generate scrap tires must complete and submit this form to the Georgia EPD per the Georgia Comprehensive Solid Waste Management Act, OCGA 12-8-20, as amended through 1997. By signing this document, the applicant agrees to comply with all applicable local, state, and federal laws, rules and regulations. Applicant must complete a separate application for each business location. An incomplete application is returned to applicant.

<i>Retailers for new replacement tires are responsible for the collection of the \$1 tire management fee and quarterly reimbursement to the State. Exceeding the listed scrap tire limits is a violation of state law. If you have any scrap tire storage problems or questions, contact this office at the number below.</i>				

III. SCRAP TIRE TRANSPORTATION INFORMATION							
List EPD-approved scrap tire carriers you propose to use to transport business-generated scrap tires. Enter "Self" on the first line if this business intends to transport its own scrap tires. A scrap tire carrier permit is not required to transport your own scrap tires. However, all scrap tire shipments must be accompanied by a manifest and go to EPD-approved facilities. You may change carriers at any time.							
Carrier Name	Street Address	City	State	Zip	Phone	Contact Name	Permit No.
Contact EPD at 404-363-7027 to receive updated listings for permitted scrap tire carriers or to check on permit status.							

IV. CERTIFICATION OF APPLICATION	
<i>I/we certify, under penalty of law, that I/we have personally examined and am familiar with the information submitted on this document. I/we believe, warrant, swear or affirm that the submitted information is true, accurate, and complete.</i>
